#### 2. THE COURSE

The ride will be approximately ten miles long. It will include various purely optional jumps, all of which can be easily avoided, without penalty, by those preferring to enjoy a ride in some beautiful countryside without jumping. Several of the jumps will have easier and harder alternatives. The two crossings of the River Wye are a particularly popular feature for most riders, but can be avoided if preferred. This is not a competition and it is envisaged that everyone should be able to complete the course at their own pace. Time does not count, but the course is normally completed within two hours.
